

POETRY.

STAR LIGHT AT SEA.

'Tis night, and such a night! The many stars,
Shine clear as gems upon a diadem.
At times, the slumbering sea her bosom heaves,
As if a giant breath'd. The sails spread high,
And wide, are gently fan'd by favouring gales,
As on her stately course the bark pursues
Her fiery track; in front with soothing noise,
The peaty spray murmuring rolls along.
As some tall spectre stalks by stealth abroad,
With ghostly shroud o'er him transparent flung,
She seemeth; magnified by the dim twilight—
All's still, except the measur'd tread of watch,
As pacing slow he whiles away the hour—
There is a magic beauty in the night,
That melt's the soul with undefin'd delight,
And as the cold, pale stars from high look down,
They soothe the restless thought; and leaving far
Behind, earth's cares, to worlds beyond, it soars;
And busy fancy 'vesting all she sees
With ev'ry hue and form, all sinless, bright—
In quick succession flies; 'till wearied with
Its airy task, and musing long, half thinks
It so, and sinks to earth and sleep again.

HENRY PATY & Co,
